

HEALTHY HOMES INC

THE BEST NATURE HAS TO OFFER

ALL-Clean

SURFACE & AIRBORNE TOXINS

Germs
Viruses
Bacteria
Mycotoxins
Allergens

Ants
Spiders
Fleas
Mites

And other common household insects

Simplified Cleaning with ALL-Clean

The ALL purpose, ALL surface, ALL in one cleaner for biological contaminants!! Apply via fog to combat airborne and surface pollutants. Fog onto walls and under baseboards (behind the walls), fog around window sills and doorways, onto furniture and into furniture cushions, carpets and carpet pads, mattresses, box springs and pillows! Fog into and through your home's HVAC ducting system! For the greatest efficacy, use ALL-Clean on a regular basis.

Ingredients

- Biologicals (Plant-Based)
- Essential Oils
- Botanical Surfactants
- Vegetable Oils
- Nutrients
